

### Designed For Your Lifestyle.

Faux Wood Blinds from Tiger Window Fashions offer long-lasting durability and a clean, uncluttered appearance. Tiger Windows classic Faux Wood Blinds are easy to clean, will not warp in high-humidity areas, and are well-suited for any room in your home, especially bathrooms and kitchens with their moisture resistant PVC slats.

These modernized window coverings come standard with our Certified Child Safe Cordless operating system, wand tilt control, your choice of smooth, embossed or embossed woodgrain slats, and a matching 2.5 inch valance for a finished appearance.

#### Standard Cordless Operation. Certified Best For Kids.

With no dangling lift cords, these blinds are "Certified Best for Kids" and are the recommended window covering operating system for homes with children and pets.

To raise or lower the blind, gently push-up or softly pull down from the center of the bottom rail until the blind reaches the desired position.

#### Wanded Tilt Control

#### For Easy Light Control. From a little to a lot!

Open or close the slats to control the amount of light entering the room with the turn of the wand or the pull of a string. Open the slats a little to softly filter light entering the room or for minimal light and maximum privacy, rotate the slats all the way downward until they are fully closed.

#### Light Filtering Properties

The Light Filtering properties of these blinds when fully closed make them a great choice for nurseries, media rooms and even bedrooms when you want to sleep in.

2.5 Inch Matching Valance Included

2 Inch Slats Smooth or Embossed
